Our outdoor cabinets in four design series withstand even the most demanding climate conditions thanks to first-class functional properties, mechanical resistance, and long service life.

As a leading energy storage system supplier, Megarevo offers compact, integrated cabinet BESS designed for small C& I, hospitals, conferences, and weak power grid areas.

Our outdoor cabinets with lock/hinged doors are suitable for housing multiple battery racks. The interior is air-conditioned by a cooling unit that is mounted on the side wall or door leaf.

For example, a typical German home with a 5kW solar system uses a 10kWh outdoor cabinet to store excess daytime energy, cutting grid reliance by 40-60% and slashing electricity bills.
