Uses a 6-axis vertical articulated robot. Customized end-effector, simultaneously handle multiple silicon wafers. Loading and unloading of specialized transport boxes. Can be integrated with other ...

Our portfolio includes not only automatic solar panel production lines, but also individual equipment for PV modules production, from glass loading equipment at the beginning to solar panel assembly and ...

ConfirmWare is a leading and trusted provider of automatic machinery for solar panel production lines for local and international manufacturers. All equipment is optimized to perform the intended task ...

As an official partner of Joloda BV, we offer automatic loading and unloading systems that cut the time gap between unloading a truck and delivering materials to the production starting point. ...

Due to its extensive experience in the photovoltaic industry, Baumann is able to offer safe solutions for trouble-free handling as well as the loading and unloading of thin discs and wafers with a minimum ...

We have accumulated high technology in PV industry from development and sales of PV module manufacturing equipment to panel reuse/recycling. Now we provide it for a variety of industries ...

Full auto solar glass loading machine can grab the glass and place it on the conveyor line automatically - We provide solar panel production line, full automatic conveyor with full automatic laminator, full ...

KEMEK Engineering offers automated Loading/Unloading system for silicon wafer based photovoltaic production lines. Our system provides effective wafer handling with single side transfer, extremely ...

Our automated Solar/PV modules production line includes a complete set of equipment, such as solar cells laser cutting, string soldering, welding, glass loading, layup, laminating, framing, J-Box ...

Photovoltaic panel loading and unloading equipment manufacturers

A database of companies that manufacture production equipment for the solar photovoltaic industry. Please select the turn-key system or particular equipment types that you are interested in.
