What is a prefab capsule house?

Prefab capsule house is a compact, ready-made dwelling constructed using pre-fabricated components, often in the form of a self-contained unit. A capsule house in China is a small, efficient living unit, often with modular or prefabricated construction, tailored for urban environments with limited space.

Where is capsule house factory located?

Address : Building 45, Dayangtian industrial zone, Wanfeng community, Xinqiao street, Bao'an district, Shenzhen, China, zip code 518103. Capsule house factory and manufacturer provide high quality capsule house wholesale and customize with brand advantage, custom capsule house from our capsule house factory and supplier with your brand.

What is a 'capsule house for sale'?

'Capsule houses for sale' refer to compact, often modular or prefabricated dwellings that are designed to maximize space efficiency.

Should You furnish a capsule house?

Furnishing: If not done during interior finishing, furnish the capsule house. Occupancy: Move into your capsule house and enjoy the space you've created. The cost of a capsule house can vary widely based on factors such as its size, design complexity, materials used, location, and whether it's custom-built or a prefabricated model.

Space Capsule House wholesale works because it delivers scale, speed, and flexibility. From factory clusters to multi-scenario uses, the system is designed for global buyers.

Perfect for off-grid living, resorts or emergency housing, our Prefab Space Capsule House redefines portable, resilient and stylish living.
