-----

With our specialised heavy lifting solutions, custom designed lifting attachments, and high capacity material handling equipment, we are able to facilitate a seamless and efficient construction process ...

Wind turbine hoists are unique in the lifting industry, we have the knowledge and specialist expertise to offer a bespoke hoisting solution to every wind turbine lifting project.

To safely lift equipment to the top of a wind turbine, which in some cases may be over 300 feet tall, industrial lift equipment and hoist lifting devices are a must. Wind turbine maintenance includes a variety of processes ...

the wind power industry demands very strict operation requirements due to the unique environment in which the equipment must operate. the wXN Electric Chain Hoist addresses these requirements with its compact, cost ...

We offer a range of solutions such as turbine service lifts, IBEX®; climb assist, tower access platforms, blade access solutions, safety equipment, and training globally.

With attributes of flexibility, power and compactness, the SWF electric chain hoist is ideal for use in wind energy turbines. Compact dimensions and a standard lifting height of up to 140 metres are perfect ...

Our lifting solutions designed for wind power operations, including swivel lifting points and PSA anchors for blades, nacelles, and towers. Ensure safety, efficiency, and corrosion resistance in turbine installation and ...

Rubber tyre gantry cranes provide safe, efficient, and cost-effective solutions for wind turbine tower hoisting. With strong adaptability, precise control, and advanced safety systems, they ensure reliable ...

Seamlessly Replace Major Components without Conventional Cranes. At Liftra we offer standard and custom-made solutions for transportation, installation and maintenance of wind turbines worldwide.

## Wind turbine hoisting equipment

Our Wind turbine personnel hoists, service lifts and tower elevators are designed to meet WTG manufacturer specifications and tower configurations, Power Climber Wind's Sherpa family of Turbine Service Lifts include ...
